I have a layout of the bank which we can use to our advantage.

We have reports of seven to eight armed enemies taking hostages within the three-floor building.

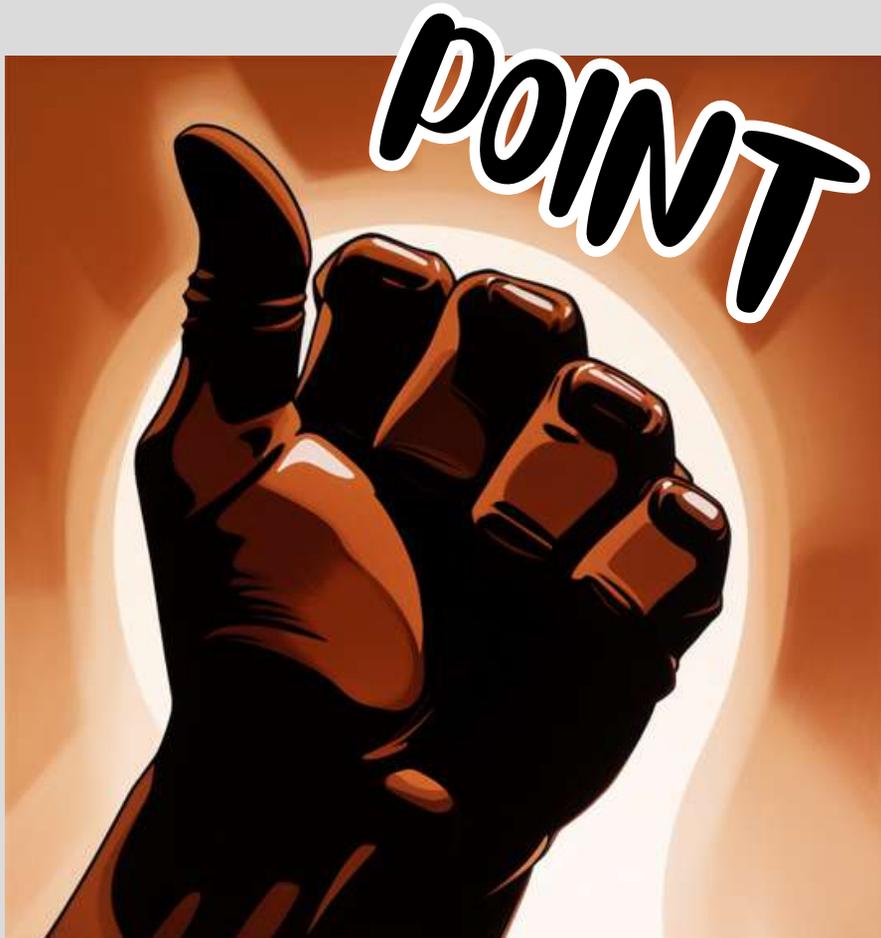

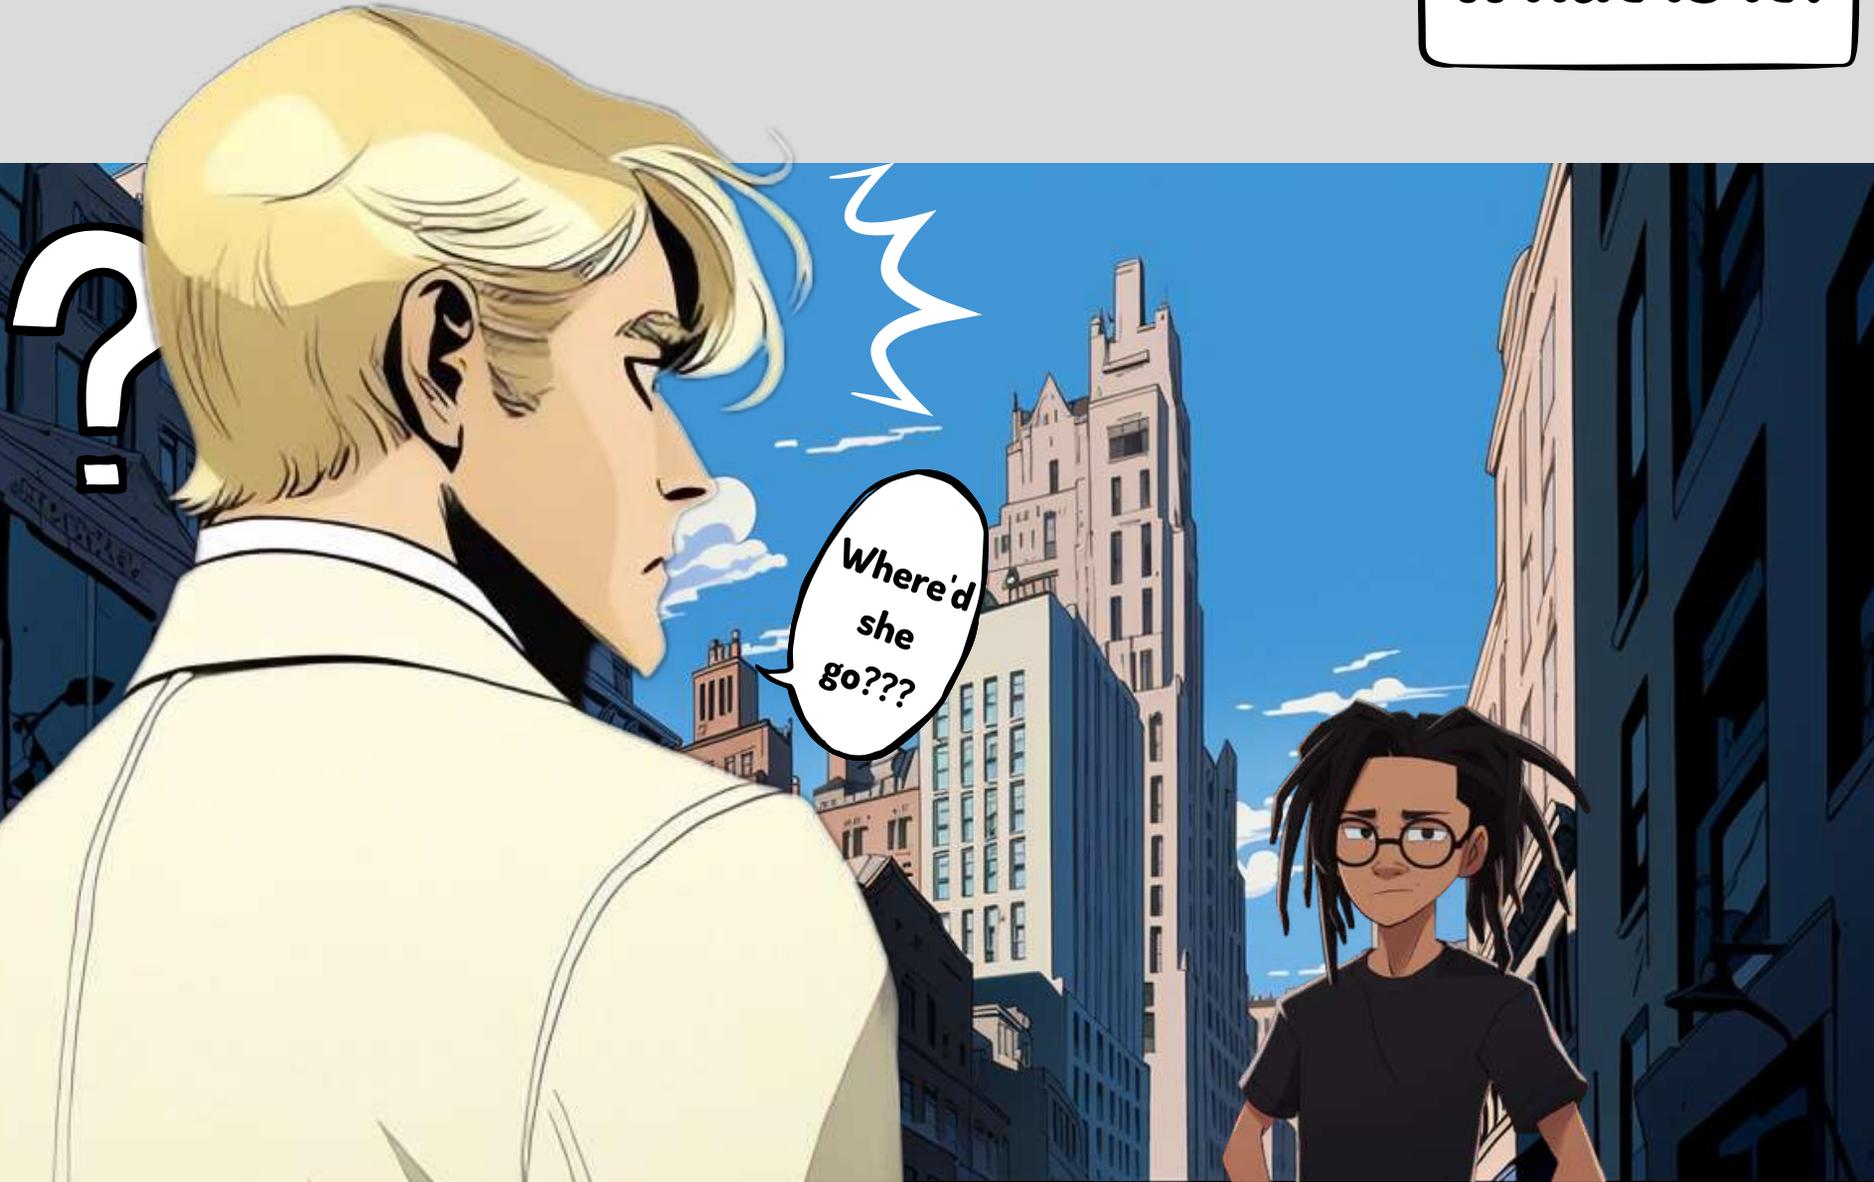

We believe the suspects have barricaded themselves inside the building, which has one or two emergency exits.

A close-up illustration of Commissioner Gordon's face. He has a very angry and frustrated expression, with furrowed brows, wide eyes, and a wide-open mouth as if shouting. He is wearing a green uniform. The background is a blurred control room.
